2027 WorkSafeBC Student Safety Video Contest — Entry form

Theme: I'm Prepared

Please include all of the following information. By submitting this entry form, you agree that you have read and understood the 2027 Student Safety Video Contest Rules.

Title of production

Please create a unique title to identify your video. Use the same title when you upload it to YouTube.

Video credits

Name	Grade	Email
Name	Grade	Email
Name	Grade	Email

Note: Need more space for names? Just send us the full list of credits when you email us your entry form. WorkSafeBC will only use email addresses to contact students and teachers or youth organization sponsors regarding this contest. If the video associated with this form wins, only the name(s) provided will be awarded prizes.

YouTube video link

Important note: When you upload, ensure you select "No, it's not made for kids" in the Audience section.

Copyright information

List all audio and visual sources and permissions to use copyrighted materials. You don't need permission to use WorkSafeBC videos or your own original footage.

Key points to remember

Deadline

WorkSafeBC must receive all entries by Thursday, April 1, 2027 at 5 p.m.

Submission information

All entries must be submitted by the teacher or organization sponsor.

To enter, upload your video to YouTube and include the link in this entry form. Be sure to fill in all of the relevant fields in the form and have your teacher or youth organization sponsor email your completed entry form to yworker@worksafebc.com.

Once we receive your entry, we'll review it to make sure it follows the contest rules and then add your video to our YouTube playlist.

You can also post your video on Instagram to share with your friends and family. Don't forget to follow @WorkSafeBC and use the hashtag **#SVCWorkSafeBC**.
