

A CAREER BALANCING

WORK LIFE

## OCCUPATIONAL HYGIENE OFFICER

Take your occupational hygiene experience and make a meaningful contribution to the community. As an occupational hygiene officer, you will:

- Ensure compliance with relevant occupational regulations and assist industry in reducing workplace injuries and occupational diseases
- Plan and implement inspections in firms and industries
- Issue compliance and closure orders
- Implement biological monitoring programs
- Investigate accidents and claims
- Attend coroners' inquests
- Conduct educational programs and make recommendations for regulatory amendments

**With an undergraduate technical science degree (chemistry, biochemistry, biology or chemical engineering),** you also have specialist knowledge of industrial hygiene principles/practices, health sciences, and technical sciences. Eligibility for ROH or CIH certification is also expected.

**Balance and wellness.** As a leader in promoting healthy and safe workplaces, WorkSafeBC believes the health and wellness of our employees depends on a solid work-life balance. As a member of our staff, you'll have access to services that can help you get the most out of work... and life.

- **Health and fitness:** We offer many ways for you to keep healthy and fit. Our Richmond office includes a fitness program offering equipment and classes, and staff outside Richmond is reimbursed the cost of gym memberships.
- **Self-funded leave:** Contribute 20 percent of your salary annually for four years, then take the fifth year off and use your accumulated funds.
- **Earned Time Off:** Start with three weeks vacation, plus the ability to add another 13 days off.
- **Care and nurturing:** Take leave in one or more periods to a maximum of five years for the care and nurturing of your children.
