<b>Critical job demands as reported by the worker</b> (include specific measurements)	<b>Current functional abilities related to critical job demands listed</b> (include specific measurements)	
<b>Factors delaying recovery</b>		

**Message to physiotherapist**

- Physiotherapy treatment will only be paid within the period pre-authorized by WorkSafeBC.
- If the worker is not returning to full pre-injury duties, a Stream 1 report must be submitted at least five (5) business days prior to the treatment end date.
- For Streams 2, 3, and 4, the physical therapist must contact the WorkSafeBC officer at least five (5) business days prior to the end date if the expected outcome will not be achieved at the end of the treatment plan.
- If notice of approval or rejection of the treatment plan is not received within five (5) business days of submission of the Physiotherapy Report, the physiotherapist shall contact the WorkSafeBC officer. If the physiotherapist does not receive a decision and/or response from the WorkSafeBC officer within two (2) business days after contacting the WorkSafeBC officer, the physiotherapist will leave a message for the WorkSafeBC officer at the WorkSafeBC Claims Call Centre, 604 231-8888 or toll-free 1 888 967-5377. The physiotherapist may start the initial treatment plan until communication is received from the WorkSafeBC officer.
- For more information, please refer to the *Physiotherapy Services Reference Manual* on WorkSafeBC.com.
- Billing report codes: Stream 1 (19185), Stream 2 (19203), Stream 3 (19173), Stream 4 (19175).
