2010/2011 IPA Implementation

December 24, 2010

#2010 -69

This year, the implementation of the 2010 Interprovincial Agreement (IPA) fee schedule was delayed in our payment system.

As a result of this delay, for the period of April 1st, 2010 to June 8th, 2010 all previous 2009/2010 IPA rates remained effective.

In order to rectify any outstanding under and over payments during this period of time, WorkSafeBC has conducted an analysis on hospital billings by payee number and processed these under fee code 1127936 twice in 2010.

One last analysis will be completed by the end of December 2010 in order to finalize the retroactive payments for this period of time and to ensure that we capture all billings for the period of time (April 1-June 8).

Happy Holidays to you and your families and best wishes for 2011. Please don't hesitate to contact us if you have any questions regarding this bulletin.
