Dear Madam:

RE: AMENDMENT TO CONTRACT #H001635 - PHYSIOTHERAPY SERVICES

The Workers' Compensation Board (WorkSafeBC) entered into an Agreement with you for "Physiotherapy Services".

Upon mutual agreement of the parties, the Agreement has been amended to revise:

Schedule A - To replace clause:

6.3.7 If it is unlikely that the expected outcome will be achieved by the end of the initial treatment plan, the Physical Therapist shall contact the Board Officer, at least ten (10) business days prior to the treatment end date, to discuss the proposed recommendation and, if requested, submit a Physiotherapy Requested Report.

With:

6.3.7 The Physical Therapist shall submit a Physiotherapy Report (Form 268), which must be received at least ten (10) business days prior to the treatment end date if the Worker is not expected to return to pre-injury hours and duties at the end of the initial treatment plan (this includes modified work duties and work hours for the Worker) and shall contact the Board Officer to discuss the proposed recommendation.

Schedule B – To revise Fee Codes 19203 and 19187:

To delete from WorkSafeBC Business Rules the statement "Report required for Stream 2 Initial Visit only."

All other terms and conditions of the Agreement remain the same. Please indicate your agreement with the amendment by signing and returning one (1) copy of this letter by **November 4, 2011** to Corporate and Health Care Purchasing of WorkSafeBC.
