

## PROSTHETISTS FEE SCHEDULE

Pursuant to section 21 of the Workers Compensation Act, WorkSafeBC will be implementing a new fee schedule on December 1, 2006.

Prosthetists are not required to sign an Agreement. All prosthetists providing treatment to injured workers are deemed to have accepted the fees. A Prosthetist who does not wish to accept the terms of the fee schedule should not provide treatment to injured workers.

The new fees apply to quotes received at WorkSafeBC on or after December 01, 2006.

Injured workers may contact Health Care Services at 604 232-7877 or toll free at 1 866 244-6404 for assistance in finding a prosthetist.
