ORDER FOR ADMINISTRATIVE PENALTY RFS 200400162
Section 196, Workers Compensation Act (the "Act")

By letter dated February 14, 2006, Babine Forest Products Ltd. (the "Firm") was advised that Occupational Safety Officer K. Birnie (the "Officer"), on behalf of the Workers' Compensation Board ("WorkSafeBC"), was considering imposing an administrative penalty for the Firm's failure to comply with the Workers Compensation Act and Occupational Health and Safety Regulation as identified on Inspection Report 2004112850022 issued on February 3, 2004.

The Firm's provided a response, received by WorkSafeBC on March 8, 2006.

WorkSafeBC's response is contained in the letter to the Firm enclosing this inspection report. A party eligible to review the decision may request a copy of the penalty materials from the Compliance Section of the Investigations Division.

Upon consideration of all available evidence, WorkSafeBC has determined that an Administrative Penalty will be imposed for the following reasons:

1. The Firm was found to have committed a violation that resulted in a high risk of serious injury or death.

2. The circumstances warrant an administrative penalty.

3. An administrative penalty is necessary to motivate both the employer receiving the penalty and other employers to comply with the Act and Regulation.

4. The Firm failed to exercise due diligence to prevent the violations to which the penalty relates.

Pursuant to s. 196(1) of the Act, WorkSafeBC is imposing an administrative penalty of \$32,450.02.

The amount of the penalty was determined in accordance with Prevention Policy D12-196-6 based on the following:

1. the Employer's payroll; and
2. the nature of the violation (determined as Category "A")

The Employer, a worker, a union, or other person identified under section 96.3 of the Act who is directly affected by this decision may request a review of the decision by the Review Division of the Workers' Compensation Board.

If you wish to request a review you must notify the Review Division in writing within 90 days of this decision. A Request for Review does not act
