ORDER FOR ADMINISTRATIVE PENALTY RFS 200500031
Section 196, Workers Compensation Act (the "Act")

By letter dated June 24, 2005, Interoute Construction Ltd. (the "Firm") was advised that Occupational Hygiene Officer Glen Dunsmore (the "Officer"), on behalf of the Workers' Compensation Board ("WorkSafeBC"), was considering imposing an administrative penalty for the Firm's failure to comply with section 18.2 of the Occupational Health and Safety Regulation (the "Regulation") identified on Inspection Report 2004136050104 issued on September 24, 2004.

The Firm's response, received by WorkSafeBC on August 25, 2005, raised several points the Firm wished WorkSafeBC to consider. WorkSafeBC's response is contained in the letter to the Firm enclosing this inspection report. A party eligible to review the decision may request a copy of the penalty materials from the Compliance Section of the Investigations Division.

Upon consideration of all available evidence, WorkSafeBC has determined that an administrative penalty will be imposed for the following reasons:

1. The Firm was found to have committed a violation that resulted in a high risk of serious injury or death.
2. The Firm violated the same section of Part 3 of the Act or the Regulation on more than one occasion.
3. The circumstances warrant an administrative penalty.
4. An administrative penalty is necessary to motivate both the employer receiving the penalty and other employers to comply with the Act and Regulation.
5. The Firm failed to exercise due diligence to prevent the violations to which the penalty relates.

Pursuant to s. 196(1) of the Act, WorkSafeBC is imposing an administrative penalty of \$63,970.42 for violation of section 18.2 of the Regulation.

The amount of the penalty was determined in accordance with Prevention Policy D12-196-6 based on the following:

1. the Employer's payroll; and
2. the nature of the violation (determined as Category "A").

The Employer, a worker, a union, or other person identified under section 96.3 of the Act who is directly affected by this decision may request a review of the decision by the Review Division of the Workers' Compensation Board.
