<sup>1</sup> The conventions used to classify fatal claims as diseases or injuries have been revised slightly.

<sup>2</sup> Re-classifications of employers from one subsector to another are reflected retroactively.

<sup>3</sup> "No subsector assigned" includes claims charged to section 39 of the act.

<sup>4</sup> "MVI" (motor vehicle incident) is the current term for what was previously called "MVA" (motor vehicle accident). Accidents involving industrial vehicles are excluded from "MVI".
