

## **Overview of proposed amendments to**

### **Part 14, Cranes & Hoists**

#### **Section 14.25, Two-block prevention**

Effective January 1, 2005, section 13.98, regarding two-block prevention, was repealed, and section 13.28 enacted to address two-blocking. The proposed change is a consequential amendment repealing section 14.25, which is a duplication of repealed section 13.98.
