Submission:

For the most part, the change is ok. The part that concerns me is that there is nothing directing that "in house" repairs are done by a qualified person.

Q: The proposed change is easy to understand

A: Agree

Q: The reasons given in the explanatory notes to support this change are relevant

A: Agree

Q: The proposed change will have a direct effect on the work carried out at my workplace

A: Neutral

Q: The proposed change will have a positive impact on the health or safety at my workplace

A: Neutral

Q: I will participate in the regulatory review on-line process in future

A: Agree

Submission:  
Why does the wind speed have to be increased in the Regulations to match what is in the WDTA training course? Why isn't it decreased in the training course from 40 kms down to 20 kms? That would make things a lot safer for workers.
