Dear Sir/Madam:

RE: PROPOSED CHANGES TO REGULATIONS

On behalf of the members of the Union of Psychiatric Nurses (UPN), we wish to advise you of our support for the position of the B.C. Federation of Labour. The health and safety of our membership and other workers, is directly linked to the regulations governing the industry they work in and the work they perform.

The B. C. Federation of Labour recognizes the importance of appropriate regulation for workers and industry and we fully endorse the recommendations made by the B. C. Federation of Labour.

Sincerely,

Sherry Moller, President
Union of Psychiatric Nurses
