Name: charline ketchum

Title: OR registered nurse

Type: Worker for large employer

Organization: powell river general hospital

Submission:

interested in making the hospital setting safer and new regulation with regard to sharps use is necessary while working in EDR in the past, the emergency doctor left his sharps on a suture tray and covered it with a cloth while I went to pick up the cloth to dispose of the instruments on the tray I got stabbed by the sharps left on the tray, the patient involved was an IV drug user and I spent a lot of time being worried about the outcome

Q: The proposed change is easy to understand

A: Neutral

Q: The reasons given in the explanatory notes to support this change are relevant

A: Agree

Q: The proposed change will have a direct effect on the work carried out at my workplace

A: Agree
