Name: Dean McGeough  
Title: Forester  
Organization: Integra Forest Consulting Ltd.

Submission:

The amendment is a good and necessary move. However, it does not go far enough - the identification, assessment and management of Dangerous Trees should be simply referred to the standard of care as outlined in the Wildlife/Danger Tree Assessor's Courses. This would result in minor improvements to Dangerous Tree management not requiring a change to the regulation; but reflected in the WDTAC (for which WorkSafe BC is a participant in the Wildlife Tree Committee of BC).
