Part 6, Section 6.33

Sector: 7660 - Service Sector, Health Care and Social Assistance

Name: Linda Mohan

Title: Reg'd Nurse

Type: Management for large employer

Organization: Vanc. Coastal Hospitals

Submission:

Needles in present use have no safety mechanisms to prevent needle stick injuries. These special needles should be supplied to avoid potential blood borne diseases (more and more of those around) to allay fears and to cut costs of the RN tests (when accidentally pricked by unsafe needles)for 6 mths and treatments of any resulting diseases for a lifetime sometimes.

Q: The proposed change is easy to understand

A: Disagree

Q: The reasons given in the explanatory notes to support this change are relevant

A: Disagree

Q: The proposed change will have a direct effect on the work carried out at my workplace

A: Strongly Agree

Q: The proposed change will have a positive impact on the health or safety at my workplace

A: Strongly Disagree

Q: I will participate in the regulatory review on-line process in future

A: Agree
