Submission ID: P08.YL6.2L2.ZDZ

Part 6, Substance Specific Requirements, Sections 6.33 to 6.41

1. Name: Margo Wilton

(a) Feedback is provided: on own behalf

Organization: Job Title:

(b) Feedback is provided: from a worker's perspective

2. E-mail:

3. Feedback:

Section #: 5

Comments:

4. Please indicate your level of support of the proposed amendments:generally agree

5. If you agree or disagree with the proposed amendments, please provide reason(s):

Section #:

Comments: I am concerned about the date the rules will come into effect. How many pokes will occur between now and 2008? Safety engineered sharps are available now, and I can't see why it should take more than six months to implement their use. I am also concerned that the Health Authority will choose to buy the cheapest product out there. Healthcare workers need the best available as soon as possible. One poke is too many.
