Name of Submitter:
Scott McMillan, on behalf of the City of Prince George
Representing the viewpoint of the Employer

Dear Sir,

Thank you for the opportunity to voice our support and concerns with respect to the proposed amendments to Part 3: Rights and Responsibilities.

Section 3.22: We support this new definition.

Section 3.23: We fully support this section. Providing employers with standards for staff orientation will help those employers to provide that training.

Section 3.25: We cannot currently support this amendment. The administrative effort necessary to sustain assessments at the proposed frequency will overburden supervisory staff. We are particularly concerned with providing assessments for seasonal and casual staff.

In summary, we generally support the proposed amendments, with the above concerns.

Sincerely,

Scott McMillan,
