Part 3: Rights and Responsibilities

Young or New Workers.

These proposed regulations would be extremely cumbersome as they apply to construction where there is a high volume of turnover in employment and the nature of the project is continually changing.

Basic safety training for new/young employees should be given by WCB. Site specific training, on an ongoing basis, should be given by the employer but not as outlined in the proposed regulation.

4. Please indicate your level of support of the proposed amendments:generally disagree
