To Whom It May Concern:

My name is Larry Sargeant and I am a Business Representative at Teamsters Local 31.

As a union which represents employees at gas stations, I understand the problems associated with customers who "gas and dash". That is why I support any legislation which makes it mandatory for gas stations which operate at night or on a 24/7 basis to institute a "Pay Before you Pump" rule at their station.

If you have any questions, please contact me at 604-527-2718.

Yours truly,

Larry Sargeant  
Business Representative, Teamsters Local Union No. 31
