Dear WorksafeBC:

Our union which represents 4,300 workers who work in construction in the Industrial, Commercial/Institutional and Service sectors is writing to you in support of the B.C. Federation of Labour's submission on the current proposed changes to the Occupational Health & Safety Regulation.

We urge the Board of Directors to implement the recommendations as outlined in the Federation submission. We are pleased that the WCB is moving in the direction of providing workers with greater protection. Implementing the Federations' recommendations as well as enforcing the regulations will ensure that more workers will return home safe and healthy at the end of the day.

Yours truly,

Joe Shayler  
Business Manager and Financial Secretary
