

Classification unit description

Motion Picture, Commercial, or Television Production Classification Unit: 763025	Sector: Service Sector
	Sub-sector: Professional, Scientific, and Technical Services

Introduction to classification units

We group all firms into classification units based on the products produced, the services provided, and the processes, technology, or materials used. The base premium rate reflects the cost of compensation and prevention in the classification unit.

This classification unit description provides an overview of the classification unit for general guidance only. Firms are classified based on this, our classification policies, Rate and Classification List, and other relevant classification unit descriptions. The items listed below are examples only; they are intended to be illustrative (not exhaustive). Every example may not apply to every firm in the classification unit.

Goods Here are some examples of goods that firms in this classification unit produce:

Commercials	Documentaries
Educational programs	Motion pictures
Music videos	Television programs
Videos	

Facility Here are some examples of facilities covered by this classification unit:

contact us**

Firms in this classification unit may also occasionally engage in other business activities. However, if they have a significant presence in any of the following industries, it may make sense for them to be assigned to another classification unit.

- 1) creation of special effects, computer animation, sound dubbing, or other post production activities (see CU 763024);
- 2) production of animated motion pictures or television programs (see CU 763024);
- 3) production of live performances (see CU 761030);
- 4) production or broadcasting of live television or radio (see CU 763031); or
- 5) construction of film sets on the production site (see CU 721027) or off-site and assembled on the production site (see CU 715033).

Please contact us if you have any questions about this or anything else related to this classification unit description.

**Base premium
rates**
