Subject: Online Training – now updated

WorkSafeBC's Mandatory Online Training

Further to our bulletin of September 19, 2023, we are pleased to inform you that the necessary updates to the online training (both the clinical and administrative/billing quizzes) have been completed and are now live.

As a reminder, any staff who will be completing billing and invoicing, and/or any Nurses who will be completing assessments and writing reports, as well as your contractor representative, must complete this on-line training hosted by WorkSafeBC at [Logon \(udutu.ca\)](https://www.udutu.ca) prior to performing any services.

As such, please resume having any new staff complete this training, as is required. You can find more information as well as the link to the training, in your Home Care Services Reference Manual on page 12.

Once again, we apologize for any inconvenience these delayed updates may have caused.
