

Information Bulletin

May 1, 2018

Attention: Prosthetic Services Providers

Subject: Billing Clarification: Major vs. Microprocessor components

Please be advised that microprocessor components, such as C-Leg or Genium (including extended warranties if applicable), must be invoiced using fee code **1100351 – Microprocessor Components – Lower Extremity**. Please refrain from invoicing microprocessor components under fee code 1100588 – Major Components.

Invoice line items with incorrect fee codes will result in significant delay or rejection of payment.

If you have any questions related to this information, please feel free to contact us.
