Attention: OR1 Providers

Subject: Change of Quality Assurance Supervisor

We would like to take this opportunity to notify our providers that the role of Quality Assurance Supervisor for the OR1 network has been transferred to Dave Ng. Dave joined WorkSafeBC as the Quality Assurance Supervisor for both the Hand Therapy network and Physiotherapy Network in April of 2019. Dave is a physiotherapist, and brings with him clinical experience working within the OR1 program.

We would like to thank Luisa Johns, outgoing OR1 Quality Assurance Supervisor for all of her work on this program.
