Attention: Functional Capacity Evaluation (FCE) Providers

Subject: Contract Extension

With the COVID-19 pandemic we understand that providers have been working extraordinarily hard to meet immediate program needs, while continuing to provide a high level of service to our injured workers.

Due to the current circumstances, we have decided to extend the existing FCE contract for a six month period to May 31, 2021. Further details regarding the extension will be sent to all current providers in the coming days.

Please let us know if you have any questions or concerns.
