September 13, 2018

**Attention: Functional Capacity Evaluation (FCE)  
Providers**

**Subject: FCE Contract Extension & Transferring of  
Quality Assurance Supervisor**

As you are likely aware, the current FCE contract agreement expires November 30, 2018. This bulletin serves as notice that it is WorkSafeBC's intent to exercise the renewal option available with the FCE contract for an additional one (1) year.

We would also like to take this opportunity to notify our provider network that the role of Quality Assurance Supervisor for FCE services will now be fulfilled by Latifa Kassam. Latifa recently joined the Health Care Services team at WorkSafeBC. She is an Occupational Therapist with extensive clinical experience in the field of occupational rehabilitation, with specific experience working in FCE, COT, CBIS and RTWSS programs. We are excited to have her join our team.

We would like to thank Kamla Hoekstra, outgoing FCE Quality Assurance Supervisor, for all of her work and support, and for ensuring a smooth transition of services.

Please contact us if you have any questions or concerns.
