

# Information Bulletin

---

October 7, 2019

**Attention: Community Brain Injury Service (CBIS)  
Providers**

**Subject: Further Contract Extension**

As per the previous bulletin dated, June 25, 2019, all providers should now have received their CBIS contract extension to February 29, 2020.

Based on feedback received, we are in the process of reviewing how community based Occupational Therapy (OT) services will be organized and delivered in the future. As such, please be advised that the current CBIS contract will again be extended further until August 31, 2020, and formal contract extensions will be sent to you shortly by Purchasing.

We appreciate your patience as we continue to work to improve the contract and process for all parties involved.
