Attention: HIATS Providers

Subject: JSV and GRTW Report Templates

In an effort to support our Providers and to standardize the report templates across our rehabilitation programs, we have updated the Job Site Visit (form 83D201) and GRTW Plan (form 83D202) report templates to serve the HIATS program.

Please note the JSV template has been expanded to include cognitive demands which we anticipate will be of benefit to the OT completing the visit.

These new templates are now available on the WorkSafeBC website. Please take the time to download these and implement their usage at your earliest convenience.

JSV form 83D201:
