Attention: Medical and Return to Work Planning (MARP) Providers

Subject: Revised Requisition for Medical Imaging and Interventional Procedures - Form 83D56

Please be advised that the **Requisition for Medical Imaging and Interventional Procedures** (form 83D56 as attached with this bulletin) has been revised to include the MRI appropriateness checklist for lumbar spine, hip and knee examinations.

Referring physicians are required to complete the appropriateness checklist as follows:

- **MRI Lumbar Spine** - for patients 18 years of age and older
- **MRI Hip and Knee** - for patients 40 years of age and older

Forms with missing information should be returned to the referring physicians for completion prior to the examination.

Form 83D56 can also be downloaded on our website at <https://www.worksafebc.com/en/resources/health-care-providers/forms/requisition-for-medical-imaging-form-83d56>
