## **Attention: PMMP Providers**

### **Subject: Mentorship Requests**

We have created a program mentorship request form for the PMMP. Please download this template and use for submitting any requests in the future. This can be found on the WorkSafeBC website:

[WorkSafeBC - PMMP Mentorship Plan Request](#)

Note the requirement of:

- Providing the mentored clinician's registration details with their governing body.
- Providing the resume for the clinician.
- Supplementing the mentorship form with a letter detailing the proposed plan in greater details specific to the clinician.
- Updating the staff list for the clinic with the proposed clinician added.

Please be sure to outline the clinician's prior experience directly related to working with complex pain conditions, and be clear about the proportion of their caseload that would have been dedicated to this type of work.
