Attention: RTWSS Providers

Subject: Mentorship Requests

We have made minor updates to the RTWSS program mentorship request form. Please download this template and use it for submitting any requests in the future. This can be found on the WorkSafeBC website:

Note the addition of:

- Providing the mentored clinician's registration details with their governing body.
- Supplementing the mentorship form with a letter detailing the proposed plan in greater details specific to the clinician.
- Updating the staff list for the clinic with the proposed clinician added.
