

Information Bulletin

March 30, 2015

Attention: All Health Authorities

Subject: Nurse Practitioners

As part of the recent amendments to the *Workers Compensation Act*, Nurse Practitioners are now recognized as qualified practitioners to provide services to injured workers effective January 1, 2015.

Nurse practitioners providing services to injured workers must comply with the reporting and billing requirements set out in the attached 'Nurse Practitioner Fee Schedule'.

All reports shall be submitted using form 8NP/11NP 'Nurse Practitioner's Report'. Please indicate the appropriate report type: Form 8NP for first report and Form 11NP for progress report. A guide on how to complete form 8NP/11NP is attached with this bulletin for your reference.

To bill WorkSafeBC for your services, please use only the fee items listed on the fee schedule. Fax the completed invoice to WorkSafeBC at 604.233.9777, or toll-free 1.888.922.8807 using form 83D128 'Generic Invoice – Medical and Health Care'.
