## **Attention: Physiotherapy Providers**

### **Subject: Physiotherapy Agreement Expiration and Procurement**

As you are aware, the current Physiotherapy Services Agreement was recently extended from May 31, 2017, to November 30, 2017. We had previously indicated that a new procurement document would be posted in June, 2017, in order to be eligible to provide service beyond November 30, 2017. This bulletin is to inform you that we are currently finalizing the agreement and procurement process, and hope to have further details in the coming weeks.

If you have not done so already, please ensure that you sign up for automatic bid notifications by following the link below. This will ensure you are alerted when the procurement document is posted.
