

Information Bulletin

January 11, 2019

Attention: Occupational Rehabilitation 2 (OR2) and Activity Related Soft Tissue Disorders (ASTD) Providers

Subject: Upcoming Request for Proposal

The current OR2 and ASTD Service Agreements expire on July 31, 2019. This bulletin is to inform you of the following:

1. A Request for Proposal (RFP) will be posted in early 2019. **All current contracted OR2 and ASTD providers must respond to the RFP to be able to continue to provide services after July 31, 2019.**
2. The intention is to post one (1) RFP for both OR2 and ASTD Programs. Interested providers have the option to apply to either or both programs.
3. The number of required providers for OR2 network, with contract starting on August 1, 2019, will be determined in the RFP document.
4. Given the referral volume to the ASTD network there is no intent to significantly increase the number of ASTD providers for the contract starting on August 1, 2019.

RFP documents will be posted on www.bcbid.gov.bc.ca. You may subscribe at our WorkSafeBC website thru the [Automatic Bid Notifications](#) to receive email notification for this and future bid opportunities for categories of goods and services of interest.
