Attention: Durable Medical Equipment (MSA) Providers

Subject: Updated Contact List of Approved Providers of Mobility Devices and Durable Medical Equipment

As you are aware, WorkSafeBC, in conjunction with the B.C. government, has an agreement for the supply of mobility devices, durable equipment and related services with a network of vendors ("Vendors") under the Master Standing Agreement (MSA), which came into effect on Sept 1, 2014.

There have been a number of updates to the list of approved vendors in recent months. Specifically:

Shoppers Home Health is no longer an approved vendor, and as such all of their existing orders have been re-assigned to alternate approved vendors:

- Creative Mobility Products in Region 1;
- Motion Specialties in Regions 3 and 4.

Also, the following vendors have been added to the MSA list of approved providers:

- Advanced Mobility Products Inc – Kelowna (Region 1)
- A1-Wheelchairs Unlimited Supply Inc. – Langley (Region 3)
- R.M.S. Medicare Ltd. Dba Regency Medical Supplies Ltd – Burnaby (Region 3)
- GT Medical Care Equipment Ltd. Dba Life Support Assisted Living (Region 4)

Please refer to our website for the full and most up-to-date list of approved vendors:

Also please note that Lori Cockerill and Kim Fitton have returned to their roles of Program Manager and QA Supervisor, respectively, for the Medical Supplies network.
