## Preliminary Insurance Rates for 2020

Thank you for attending our consultation about the 2020 rates for employers. This document lists the preliminary insurance rates for all industries in British Columbia for 2020.

## How to find your preliminary rate

Inside, the rates are listed by sector. Find your sector, and then your classification unit, to see the rate we're proposing for you and your peers in 2020.

### A snapshot of the 2020 rates

At the provincial level, we're projecting the average rate will remain flat at 1.55 percent. 43 percent of employers will see a decrease, 45 percent will see an increase, and 12 percent will see little or no change to their rates.

### What's next?

At the end of our consultation period, we will share your feedback with our Board of Directors. We expect our Board will approve the rates in October, at which time we'll notify you of your final rate by mail. Watch our website, worksafebc.com, for more information.

## How you can influence your rate

By working together to reduce serious injuries and enhance return-to-work opportunities, we can collectively prevent injuries, help workers return to suitable employment, and ultimately lower insurance rates.
